

# ETERNITY

Do you know that you will outlive the sun?

Do you know that when the earth and the stars have all passed away, you will then just be beginning your endless days? – A time without end.

Once you are born you will never cease to live or to exist.

You will still exist a million million years from now.

You will live forever, you will be alive eternally.

Eternity has no end. This is a solemn and fearful truth.

Suppose it were possible to tie a rope from the earth to Heaven and an ant were to climb on it and go to the sun and to return on this rope, and when the ant has done that a hundred million times, then a small fraction of eternity will have just begun.

If it were possible to remove one drop of water from the Ocean every million years and to continue until the ocean were dry, it would be nothing compared to Eternity.

Suppose a small boy were to empty all the seven oceans with a teaspoon. The time it will take the boy to do this represents a very tiny part of Eternity.

If it were possible to gather all the books and writings that have ever been written in all the fields of human existence and endeavours, and in all of the languages ever spoken on the face of the earth, and a student were to read them all one by one. The time he will spend reading all the books a million times over will only amount to an inestimable fraction of a second of even just the beginning first day of Eternity.

If a grain of sand represents a hundred million years, then all the sand on every sea shore on the face of the earth will represent only a small negligible, inestimable fraction of a second of even just the first hour of the first day of Eternity.

If a bird went to sharpen its beak once every century or every hundred years at a mountain, then when the bird wears down the mountain in this way till there was no more mountain left standing, then only an insignificant part of Eternity will have passed. Trying to describe Eternity is like trying to describe the Internet to an ant.

Words have not been invented that could possibly adequately describe the scope and reality of the span of Eternity in relation to time as we know.

The natural human mind will just simply implode in the full comprehension of the reality of its magnitude and extent. Its just plain futile .It will be like beating the air in trying to grasp it in its totality. However the frightening reality is that Eternity is real and is only a step away after your life here is finished.

I can only warn you of the grim possibility of not taking the time NOW today to consider it carefully to your own Eternal regret.

Eternity is when this very brief and short life here on earth ends for every one who has ever been born on the earth {Ps 103: 15 – 16} and the beginning of an endless Eternity that is the same as the long and endless life span of the never dying God, and its beginning marks the day that the door of Grace is forever shut or closed to every man or woman who has ever lived on the face of this earth.

Once born on the earth, a person remains consciously alive forever. Eternity does not terminate at the time of death. Death is just another wrung on the ladder of Eternity-Eternity in Heaven or in Hell.

There is “the resurrection of Life” and there is “the resurrection of damnation”. This may shock you. I pray it does.

Every sinner will end up in Eternal Hell and every saint will go into an Eternal Heaven. You will live forever in Heaven or Hell.

There is no neutral place; nothing like Nirvana or Purgatory. Jesus never talked of anything resembling such rubbish. It’s all bunch of baloney and lies from the pit of hell to fool you and take your soul to the fires of Hell if you die in that con from satan.

Somebody said” I am sitting on the fence” NO!, or rather I should say, DUH !

There is no fence. You are either a Christian or a sinner. You are either saved or damned. You are either on the narrow way to Heaven or on the broad way that leads straight to Hell. You will either live with God forever in Heaven or live in Hell forever with satan and his demons. These are the stark realities you must face.

You must CHOOSE this day.

Where do you want to spend Eternity?

You must answer with an action. You can choose to neglect this message and warning, you can choose to postpone your day of repentance and continue in sin. DUH,-don’t do that, or you can choose to heed this warning.

Let's cut to the chase. Eternity in Hell is 100% sure for every sinner who refuses or neglects to repent. Trust me you don't want to face God a sinner on the first day of Eternity. That you wished you weren't born will be the biggest understatement! I promise you one thing; Satan wished sorely that you never set your eyes on this writing. Oh how it pains him that you found or came across this, but it's too late. Why? Because if you didn't know for sure before today what is on the other side of this life, then you will be at peace and at rest today if you just read on.. Repentance and confessions of your sins will make you a recipient of mercy, pardon and blessings from God.

Confess your sins, forsake them and turn to God.

Life with God in Christ is an endless hope. Life without God in sin is a hopeless end. Life without Christ is a life of crisis. It is a wretched and terrible life. It is a life without peace, without rest, full of pains and full of aggravation and afflictions and fears.

It is a life full of hardships, tribulations, anguish, and misery.

It's a life full of destruction, sorrow, problems, disease and darkness.

**BUT,**

"RETURN to the Lord, and He will have mercy upon YOU...He will abundantly Pardon {Isaiah 55: 7}.

Ask God right NOW this minute to forgive your sins and you must NOT cover any of them. Pour out your heart to Him. Run from Danger. Save your SOUL.

"He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have MERCY" {Prov 28: 13}.

God Himself became a man to give mankind a concrete, definite and tangible idea of what kind of person to think of when we think of GOD.

GOD is like JESUS.

Jesus was God incarnate in human form.

Jesus was the WORD of God in Physical form {John 1: 14}.

As a man, He {Jesus} lived the most strangely beautiful life ever known in all the history of mankind up till he was born and all through history till this present day.

He was the kindest, tenderest, most patient, and most sympathetic man that ever lived.

He loved people. He hated to see people in trouble. He loved to forgive. He loved to help.

He wrought miracles to feed hungry people and for relieving the suffering, He forgot to take food for Himself.

Multitudes that were pain ridden and heart sick came to Him and found healing and relief.

It is said of Him and of no other, that if all the deeds of kindness that He did were written down, that the whole world will not be able to contain the books. {John 21: 25}.

That is the kind of man Jesus was and still is. He is the same yesterday, today and forever more. {Heb 13: 8}. That is exactly the same kind of person God is.

He died, on the cross, to take away the sins of the world, to become the Redeemer and

savior of all mankind for all time.

Then He Rose from the Dead: is Alive Now; not merely a Historical figure or character as Religion will have you believe, but a Living Saviour and Person: the most Important Fact of History and the most vital force in the world today.

The whole Bible is built around this beautiful story of Jesus Christ.

Christ means the Messiah in Hebrew and the Anointed One in Greek.

Christ is not His surname. It's not His family or second name either.

The whole Bible from beginning to end points to Him from all the prophecies of His coming to all the prophecies fulfilled at His birth, life and death and also some still remaining for His soon Second coming.

Beware He doesn't come and find you unprepared.

The Bible talks of Eternal Life as promised by Jesus to all those who accept Him as their savior. For the Bible was written only that men should believe, understand, know, love, accept and follow Christ. PERIOD! That's what the whole Bible is about.

Christ the centre and heart of the Bible, and Christ the centre and heart of History, must become the centre and heart of our lives.

Our Eternal destiny is in His Hands and depending on Him.

Our acceptance or rejection of Him will determine for each of us, Eternal Glory or Eternal Ruin. Heaven or Hell, one or the other.

The most important decision any one is ever called to make is to settle, in his heart, once and for all, the matter of his attitude toward Christ-on that depends everything.

It is a Glorious thing to be a Christian. It's the most exalted privilege of mankind.

To accept Christ as Savior, Lord and Master, and to strive sincerely and devotedly to follow Him in the way in which He taught, is, certainly and by far, the most reasonable, and most satisfactory way to live.

It means peace of mind, contentment of heart, forgiveness, happiness, hope, life here and now and life abundant to overflowing and to live a blessed life and to be a blessing.

How can anyone be so blind, or so dumb, as to go through life, and to face death, without the Christian hope?

Apart from Christ, what is there, what can there be, either for this world, or the next, to make life worthwhile?

We all have to die. Why try to laugh it off.

"..Those who still reject me {the wicked} are like the restless or troubled sea that cannot rest. Whose waters cast up mire and dirt. There is no peace, saith God, to the wicked".

{Isaiah 57: 20 -21}.

BUT

" I am the way, the truth and the Life, no man cometh unto the Father, but by me. If ye had known me, ye should have known my Father also...he that hath seen me hath seen the Father..." {John 14: 6 - 9}.

ALSO

“ There is one God, and one mediator between God and men, the man Christ Jesus {1 Tim 2: 5}.

God enjoys blessing people. He has what you are looking for. If you are sick, abused, miserable, backslidden, fearful, confused, insecure, addicted and in bondage to sin and perversion, in bondage to occult and satanism, poor and in debt, emotionally battered and bruised, diseased, rejected and feeling hopeless, living a shabby and purposeless life, then I got news for you that will be sweet music to your empty soul.

The Answer to all the above ills is JESUS. Simple.

His arms are open to you this minute. That’s why God made you come across this message. He wrote it specifically for you, and to you!

His restoration reaches anywhere and everywhere no matter how low you have sank, even to the lowest pit of hell itself. His restoration is even for those who have had their failings shown in public. Even if you have killed a thousand people, even if you have murdered a dozen people, even if you have slept with a thousand men ,women or beast.

His Healing and Delivering power can heal and instantly deliver the craziest junkie, can redeem the sleaziest imaginable prostitute, can change the greediest thief and robber and will pluck your feet out of the darkest dungeon and pit of hell.

His only chance of rescuing you is that you are still alive and breathing.

Once you are dead then that’s it! {Heb 9: 27}.

### **Hear from God Himself:**

“..You shall find no rest, but the Lord will give you trembling hearts, darkness and bodies wasted from sorrow and fear. Your lives will hang in doubt. You will live night and day in fear, and will have no reason to believe that you will see the morning light. In the morning you will say, that the night was here. And in the evening you will say, oh, that the morning was here!” {Deut 28: 65 – 67}.

“For see, the day of the Lord is coming, the terrible day of His wrath and fierce anger. The land shall be destroyed, and all the sinners with it. And I will punish the world for its evil, the wicked for their sin; I will crush the arrogance of the proud man and the haughtiness of the terrible.” {Isaiah 13: 9 & 11}.

It may now seem that all this can’t be true. All this can’t be said by a God of Love. You don’t believe me? Well please you owe it to yourself to go find a Bible and read the passages with your own two naked eyes. Hey! It’s your soul we are talking about here.

My fellow human being, God means what He says and says what He means.

He owes no man any explanation. A car manufacturer produced a manual for their car and say use Diesel or petrol. Are you going to argue with them and now use shampoo instead of petrol? Won’t that be stupid? DUH.

And yet that’s what people do, God manufactured us and He gave us His manual, the Bible with His Laws, life success principles and statues and He cannot look on sin because He is Holy{Habakkuk 1 : 13}and yet still we want to toy with sin even though it will kill us. DUH. It’s like someone playing with a deadly rattlesnake.

We obey the laws of man and of country where we will live for no more than a hundred years, and yet still we will not obey the Laws of a place where we will live for Eternity. May God give you the revelation and understanding of what Eternity means. I hope this pitiable attempt in explaining it somehow to you will WAKE you up from Danger.

Don't let the devil {the loser} deceive you to destroy you. Choose JESUS today.

Tomorrow may be too late. I pray to walk the Golden streets of Heaven with you sometime soon. 200 years is soon and nothing compared to Eternity.

Don't fall for the low life lies of Satan to toy with sin to lie, to fornicate, commit adultery {20 minutes of sin that will take you into Hell. Are you dumb? Wake up!

"The thief {devil} cometh not, but for to steal {God's purpose for your life}, to kill {and send you to hell fire}, and to destroy {your life, family, health, finances, hope and everything good that God has already earmarked for you if you live with and for Him}, BUT, I {Jesus} am come that you might have Life {both now and hereafter} and that you might have it more abundantly". {John 10 : 10}

A word to the wise they say is enough, however let God Himself finally convince you.

"Let us hear the conclusion of the whole matter: FEAR GOD, and keep His commandments: for this is the WHOLE DUTY OF MAN. For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil.

{Ecclesiastes 12: 13 - 14}.

"..Behold, the fear of the Lord, that is WISDOM; and to depart from evil is understanding. {Job 28: 28}.

" How much better is it to get WISDOM {Jesus} than Gold! And to get understanding {eternal life} rather to be chosen than silver {the low and base temporal sinful pleasures? of this brief life} {Prov 16: 16}.

This is the part that is hard for me but I won't disobey God and I won't have your blood on my hands so let's finish our business .After all it's your soul that is at stake here.

I want to leave you in no doubt as to your choice of where you will spend eternity. And whether you want to live even here in your present life in Blessings or Curses.

Remember we are spirits and we never stop or cease to exist.

Death is only stepping out of time to Eternity. You can start to live here on earth like God or you can choose to start the journey to hell and start to experience it by continual living like the devil. Choice is yours. My fellow being, choice is so precious, it's only after here on earth will you realize that you will not trade a minute of choice with all the Gold in Fort Knox.

So how do you live like God? Is it possible? Is it possible not to lie? Not to lust after male or female? Answer is YES. With God all things are possible. {Luke 1: 37}.

Well let me answer you like this. I don't need to prove who I am. I know who I am in Christ. I live His life here on earth and I have a Heavenly mind. I am a citizen of Heaven.

Second question. How do you know you are living like the devil?

Well if it walks like a duck, quacks like a duck and swims like a duck, chances are, it's a

duck If one acts like the devil , talk like the devil and reflect the devil in everything they do, then they don't know God. Period! And you are the one I am writing to.

And if YOU are this person then listen to God's **FINAL** word.

In case YOU won't choose wisdom {Jesus} and be wise, then this is the repercussion.

"Because I have called, and ye refused; I have stretched out my hand and you didn't regard it; but have set at nought all my counsel; and would none of my reproof;

I also will laugh at your calamity; I will mock when your fear cometh;

When your fear cometh as desolation; and your destruction cometh as a whirlwind; when distress and anguish cometh upon you.

Then shall you call upon me, but I will not answer, you will seek me early, but you will not find me. {Prov 1: 24 – 28}.

Why won't God Answer You?

Read for yourself.

"For that you hated knowledge, and did not choose the fear of the Lord.

You would none of my counsel: you despised all my reproof.

Therefore shall you eat of the fruit of your own way, and be filled with your own devices. For the waywardness of careless people will kill them and the complacency of fools will destroy them. But who ever listens to me will live in safety and be at peace, without fear of harm". {Prov 1: 29 – 33}.

I pray I have succeeded in scaring you out of your zombie like state, out of your blinded mind. {2 Cor 4: 4}.

I pray your eyes have suddenly opened to see the danger you are in.

So you have NOW decided to run for your dear life. PRAISE GOD.

The devil had tried his stupid damn best using everything to STOP you from reading this LETTER from GOD to you. But now that you made it this far nearly to the End of the letter, I have no doubt that God has MARKED you out for Deliverance TODAY!

SO WHAT DO I DO NOW?

Smart question.

7 things. Remember 7 stands for perfection. Today, The Lord my God will perfect everything concerning YOU.

**OK here are the 7 things to do to be Heaven Bound:**

1. Accept JESUS into your life NOW! Do it now!

Pray like this: Lord Jesus, I am sorry for all my sins. I now realize my sinful nature and sorry state and only you can save me because you are the Merciful Saviour.

You died on the Cross for me and Your Blood was poured out for my sins.

Today I confess I am a sinner and I confess my sins and I ask Your forgiveness.

I give You my Life. Take it and make it what's the original plan You had when You created me. I receive You into my heart. Come into my heart to stay.

I thank You dear Jesus. You are now my Lord and my Saviour. Thank You Jesus. Amen.

{Rom 10: 9 -10}.

Now satan, you just heard me I now belong to Jesus. So get lost from my sight. My eyes are open and I am now a child of Jesus. Go away in Jesus NAME from my life. Halleluiah!!! If you prayed from your heart. Then there are Angels immediately dispatched from Heaven and you are now surrounded by Angels. {Ps 91: 11 -12}. Also God's Holy Spirit will immediately enter your heart. You will know.

2. Join a Church that teaches Jesus Christ is Lord.

A Church that teaches Faith in God.

Find a Church that Lifts up Hands when praising God. That is not like a cemetery and where they don't always talk about the devil but rather they preach the word of faith.

3. The Holy Spirit is now in you. He will help you pray to Jesus. Don't lean on your own understanding. {Prov 3: 5 - 6} He is in you to help you, guide you, and strengthen you. Rely on Him 100%. Nothing is too small to ask Him. God is not a MAN .He is never tired and He never sleeps. Ask Him everything. Don't ever try to do anything without asking. Learn to be totally reliant on the Holy Spirit. He will love you for that. That's the secret of King David. He always asked God, Should I go? Should I not go?

That's why he never lost a battle.

4. Let everyone know immediately you belong to Jesus. {Matt 10: 37 -39 / Rom 1: 16}.

5. Be in Church every time the doors are open.

On your first attendance after the preaching the Pastor will call out for people to raise their hands or to come forward to openly give their lives to Jesus {Matt 10: 32 -33}. Jump out immediately and answer this call to finalize your registration in Heaven. There is a book in Heaven called Book of Life, Your name will be entered officially and then there will be a Party in your Honour and the Angels will be screaming ,shouting Hallelujahs and kicking up a storm all because of you {Luke 15 : 7}.

They {the church leaders} will pray for you. Tell them the areas you need prayers. They should give you some one or two materials to start reading. If you need a Bible ask them. If the Pastor doesn't make this call after the preaching, find another Church that does.

6. Praise and worship Jesus every time and everywhere. Let prayer be like water to you.

7. Start to read the Bible .Buy a good study Bible. I don't care how. Sell your shirt if you have too. What is more important than the Bible? Nothing. Can you imagine buying an IPod or a new I phone etc without the manual? How much more your soul.

Besides you are now a supernatural being. And supernatural Heavenly people don't speak the language of the world. They speak the word of God. Be smart. {Matt 13 44 - 46}.

Write to me your testimonies so I can pray with you and also if you need any materials or books etc let me know and I will send you some materials absolutely free of charge.

I want to encourage you, to motivate you and to help you stand strong.

Send me any requests you have to me at: [holyghost0985@yahoo.co.uk](mailto:holyghost0985@yahoo.co.uk).
