## DEDICATION

I dedicate this Book to the Obsessive Love of my Life, to the Sweet and Gentle Holy Spirit who is my All in All and everything to me. He fearfully and wonderfully created, designed, and skillfully forged me, then made me show up here on the earth, so we can both together fulfill Eternal Destiny.

If it wasn't for Him, I won't be here today and only in Eternity to come, can I possibly know all the Battles He has fought and won on my behalf here in this earth and even before I even showed up because for most of us, our battles start even before we are born. He is the One who has been and is still with me when everything and everyone else don't want to know.

And so I'm looking forward to the day in Eternity to come when I will see You face to face to kiss you at Your feet and say, "Thank you and now I'm here to serve and worship you and to travel through the eons and universes together with you forever."

Meanwhile, here on earth, we have many more battles and territories to cover and conquer together.

So count me as faithful and ever ready and in arms together with You, Sir.

Your battles are my Battles and my Battles are Your Battles. We are in this together to the very end.

## **ACKNOWLEDEMENT**

I want to acknowledge all the guys at Absolute Print at Archway area in the city of London who helped in converting all my scrambled and sometimes impossible typing into the most beautiful PDF documents imaginable.

They accommodated my insatiable hunger and demand for excellence and gave of themselves every time to make all the Books I wrote possible. I pray the Blessing of Abraham on them both individually and as a company throughout 2011.

I also want to continually acknowledge my Dad and Mum in the Lord, Kenneth and Gloria Copeland for talking to me everyday and every time even in my sleep. It's so good. Words cannot describe what the Lord is using them to do in my Life.

Lastly, I want to acknowledge the great church that is my local church, The El-Shaddai church at Golders Green area of London.

And for my wonderful Pastor and man of God, Dr Ramson Mumba...He keeps me on the edge of my seat every time.

I always pray the Good Lord keeps me from running all over church. That's how awesome El-Shaddai is.

It's such a Blessing to sit under the Anointing of this awesome Man of God. Off course he is of the stock of the Copeland's and the Dollars so what do you expect.

Life is so good and God is so good to me. What more can I say.

## INTRODUCTION

The Bible tells us “ TO BE MADE NEW IN THE ATTITUDE OF OUR MINDS ;{ Eph 4:23}.”

Our lives move in the direction of our thoughts.

All that a person achieves or fails to achieve is a direct result of his or her thoughts.

Thoughts move at the speed of Light and so as quickly as light illuminates a room, so also a single thought can illuminate or transform a human Life for better or for worse.

Your thoughts create your words and they both then frame your world and your Life.

Your thoughts are so powerful that without even saying a single word, God Almighty is able to do them or bring them to pass.

Eph 3:20 says just that.’ Unto Him {God} that is able to do exceeding abundantly above all that we ask or THINK ...’.

If only we realized just how much closely our thought life is linked to our Life and Destiny, we will get more serious to choose our thoughts carefully since everything that we are or will ever become, start out in our thoughts or in the MIND.

We are to cast down imaginations and every thought that exalteth itself against the knowledge or Word of God. {2 Cor 10:5}.

As Christians, we need to learn to fight for our thoughts, because our minds don’t always automatically come into agreement with God’s plans. Our thought life or the mind is a part of our five physical sense realm and in touch with our feelings which has nothing to do with Faith, for we walk by Faith and not by Sight or our thoughts or our feelings etc {2 Cor 5:7}.

This Lively Bible Puzzle Book is both designed not only to deepen your knowledge in the Word of God, but to help reprogram your thought life to think on things above ,and to Boost your Mind of Christ with Heavenly imageries .

“..As a man thinketh in his heart, so is he... {Prov 23:7}.

This Anointed Puzzle Word of God Book, is guaranteed by the time you go through all the puzzles and their answers, and go into the Bible to diligently study the significance of the words, to kill off any’ Distortional Thinking’ that may be plaguing your lives and destinies and to bring your mind and focus into Alignment with God’s, in Jesus Mighty Name.
